

Sport Premium

2024/25 Funding Allocation:

£16,330

What is the PE and Sport Premium

The PE and Sport Premium is an additional layer of funding received by schools. It is ring-fenced so can only be spent on improving the quality and breadth of PE and School Sport. It has been doubled to support schools to implement the government's Obesity Strategy and to support the health and wellbeing of all young people in the school.

How is it used?

Foxfields use the Sports Premium funding to make additional improvements to the quality and provision of Physical Education (PE), Physical activity and sport. These improvements aim to be sustainable and to maximise the well-being of all the pupils.

Below shows how we use the premium to secure improvements in the 5 key indicators:

Engagement of all pupils in regular physical activity

Implementation at Foxfields

- Physical Education (PE) and Outdoor Education as part of every pupil's timetable, coordinated/delivered by qualified staff.
- Employment of teachers trained in PE who have the ability to deliver high quality PE lessons
- Collaboration with local sports clubs including Leicester Riders and Leicester Tigers who come into school to deliver sports and activity sessions.

Benefits for pupils

- Daily opportunities for pupils to be physically active.
- Outdoor education provides an additional and alternative option for physical activity and significantly broadens the offer of activities alongside PE.
- Pupils develop communication and social interaction skills.
- Unstructured times are maximised for opportunities to be active.

2. Profile of PE and sport is raised across the school as a tool for whole-school improvement

Implementation at Foxfields

- Physical Education (PE) and Outdoor Education are key drivers in developing pupil's social skills, confidence, self-esteem, self-belief and promoting healthy lifestyle choices.
- Opportunities for cross-curricular learning
- A designated activity lead at playtimes to provide a sports-based activity accessible for all pupils.

Benefits for pupils

- Daily opportunities for pupils to be physically active.
- Outdoor learning provides an additional and alternative option for physical activity and significantly broadens the offer of activities alongside PE.

Sport Premium

- Pupils develop communication and social interaction skills.
- Pupils develop life skills including learning to swim.
- Unstructured times are maximised for opportunities to be active.

3. Increased confidence, knowledge and skills of all staff in teaching PE and sport

Implementation at Foxfields – Commitment to ongoing professional development of PE staff.

- We have added to our team through the employment of a of qualified PE teachers.
- We have employed an Outdoor Education lead to extend the physical activity access and to offer alternative provision which helps pupils gain both gross and fine motor skills.

Benefits for pupils

- All PE and Outdoor Education lessons are delivered by qualified, in-house staff who can offer high quality lessons within their field.
- A wider range of Physical activities to participate in.

4. Broader experience of a range of sports and activities offered to all pupils

Implementation at Foxfields

- We have a tailored PE curriculum to meet all pupils needs at Foxfields.
- We include Outdoor education into our curriculum meaning pupils can access a wider range of physical activities
- A designated activity lead at Playtimes to provide a sport based activity accessible for all pupils.
- We have local sports teams to come in and deliver inclusive sports such as wheelchair basketball to let pupils experience a wider range of sports.

Benefits for pupils

- All pupils, regardless of disability, are able to access an inclusive PE and Enrichment curriculum.
- Pupils have opportunities to be active throughout the school day, developing the understanding of the importance of a healthy and active lifestyle.

5. Increased participation in competitive sport

Implementation at Foxfields

- The school are committed to inter-school events and facilitate competitive fixtures against peer schools in a variety of different sports.
- Inter school football matches against other schools in the Trust and in the local area.
- The school are always proactive in seeking and participating in local competitions and events

Benefits for pupils

- Pupils are provided with the opportunity to compete, socially interact with pupils outside of their school and experience travel for away fixtures.
- Pupils gain an understanding of competitive sport and develop important skills such as respect in winning and losing.
